The file relating to Mr Dale's appointment is put up for possible reference - The question of withdrawing the privilege under advertisement from Mr Dale has not been specially referred to in the Council Resolution of 16 March in that file, probably because it had been already dealt with in the Council Resolution of 16 March

I Subject -(Clause viii of Schedule)

Withdrawal from the Principal of the Central College of the power of direct correspondence with Government

OPINION

× Flag M

In accordance with the opinion already expressed in the Council resolution of 16th March 1908, the Inspector General of Education may be allowed the same powers of administrative control over the Central College as he has over the Maharaja's College, and the privilege of direct correspondence with Government withdrawn from the Principal of the former institution

In Government Proceedings No 24799-802/C6289 dated 28th June 1905, Mr Cook, the Principal of the Central College, was permitted to correspond directly with Government, on matters other than those relating to the Budget, Statistics and Administration reports This exception was made "on the special ground of Mr Cook's previous relations to Government as ex-officio advisor to Government in matters of higher education"

Now that Mr Cook has retired, the Council are of opinion that this special privilege of direct correspondence with Government may be withdrawn from the Principal of the Central College and that the Inspector General of Education may be allowed to exercise the same powers of administrative control over the General College, Bangalore, as he exercises over the Maharaja's College, Mysore

This may be approved

Dear Mr Chandrasekhara Aiyar,

Since the retirement of Mr Cook I find that Govt Orders relating to the Central College have been addressed direct to the Principal and the Principal has been writing direct to Government just as was the case when Mr Cook was in office It was distinctly understood that the privilege of direct correspondence with Government was allowed as a special case to Mr Cook only, and I believe that that was the reply demi-officially given to Mr Weir by Sir K Sheshadri Iyer, when Mr Weir many years ago claimed the same privilege of direct correspondence with Govt After Mr Cook's retirement there is no reason why his successor who is many years my junior should be given the same privilege as was allowed to
